From the Desk of Chairman

Dear Professional colleagues,

I am very happy to write to you my first communicate as a Chairman of the 'Western India Regional Council' and I sincerely acknowledge thanks to all of you for giving me this opportunity, and I am sure that I will deliver my best to the profession with support and constructive suggestions from all the members of the region.

"Give the world the best you have, and the best will come to you!" - For the first time in the history of ICWAI, landmark orders have been passed by the Ministry of Corporate Affairs, Cost Audit Branch in the months of May and June 2011. This is in the view of Cost Audit Notifications and Compliance Notification, tremendous opportunities are generated for Cost and Management Accountants in Practice as well as in service. In order to meet out the challenges ahead and to motivate new entrants in the profession we are planning to organize seminars all over the region.

We also need to focus areas, other than our core practicing areas, like Cloud Computing Application (ERP), IFRS, XBRL etc., where our members can perform and prove their expertise. For this purpose we need to update our knowledge, acquire new skills and should be well equipped to offer valuable serviced to the corporate world. Therefore, we are also planning to organize good number of seminars and conferences on other relevant subjects during year 2011-12. Your valuable suggestions regarding selection of topics, themes, faculties timings, venues are

also welcome. We are committed to consider all suggestions while finalising the programmes. I also request small chapters in the region to organize the seminars and workshops for which WIRC is committed to offer the fullest support. I eagerly look forward to meet you all personally during the said conferences and seminars.

We are planning to start one exclusive grievances handling cell to support students and members to get their queries / issues getting resolved within specified time of 48 hours through e-mail. We also intend to strengthen our placement cell to provide opportunities to fresher and new entrants. Kindly keep mailing the valuable suggestions for improvement in the office administrative systems.

At the outset I would like to congratulate and salute Ahmedabad Chapter's managing committee and members for inauguration of new grand premises in the premier locality of Ahmedabad. This is a great achievement of hard work and professional diligence which is truly outstanding and will help profession to touch newer heights in entire western region.

I look forward to your whole hearted participation and contribution to make our planning for the year most happening and successful.

I take this opportunity to wish you and your family "A Very Happy Independence Day" along with happiness, prosperity & success in every walk of life.

With Warm Regards,

CMA Vijay P. Joshi

About the Seminar

The Government of India is continuously encouraging Indian Industry to be Cost Competitive to face the Global Competition. With this objective nationalized, simplified and corporate friendly legislations are being introduced.

The Ministry of Corporate Affairs has issued Notifications on The Companies (Cost Accounting Records) Rules 2011, The Companies (Cost Audit Report) Rules 2011 which supersede the Cost Accounting Records Rules for 36 industries and Cost Audit Report Rules 2001. MCA has also issued orders consequential to the new notifications.

These new rules and orders have totally transformed the Cost Audit Mechanism. The new Cost Audit Report Rules provide for Cost Accounting Policy, Product Group Details, Product Group wise Abridged Cost Statement, Performance Appraisal Report and so on.

The new Cost Accounting Records Rules provide for maintenance of Cost Accounting Records on the basis of Cost Accounting Standards issued by the ICWA and the Generally Accepted Cost Accounting Principles. The Compliance Report has been introduced for the First time, which is mandatory in case of almost all companies with turnover exceeding Rs.20 Crores.

The deliberations at the seminar will help the participants to understand the new concepts, clear the doubts and comply with the requirements of new rule and orders.

Service Tax Exemption and Exemption by Way of Refund for Services Provided to Special Economic Zone Developer / Units

CMA A. B. Nawal (*Regional Council Member*)

Exemption & Exemption by way refund has been Notified in the Notification No. Notification 17/2011 dated 1st March, 2011 and further clarified in the the Board Circular No. 142/11/2011 - ST., Dated: May 18, 2011,

In accordance with Notification 17/2011 dated 1st March, 2011 ST, the explanation has been inserted for the definition of "wholly consumed".

As per this explanation:

For the purposes of this notification, the expression "wholly consumed" refer to following taxable services, received by a Developer or Unit of a SEZ, for the authorised operations, namely

(i) services listed in clause(i) of sub-rule (1) of rule 3 of the Export of Services Rules, 2005 in relation to an immovable property situated within the SEZ

(Services related to general insurance business, mandap keeper, architect, interior decorator, real estate agent, construction of commercial complex, site preparation, dredging, survey and map making, residential complex construction, auction service, mining of mineral oil or gas, renting of immovable property, works contract and advice, consultancy or assistance in any branch of law, Services provided by builder of residential complex or a commercial complex or any person authorized by such builder for providing preferential location or development of such complex); or

(ii) services listed in clause (ii) of sub-rule (1) of rule 3 of the Export of Services Rules, 2005, as are wholly performed within the SEZ (services related to stock broking, courier service, customs house agent, steamer agent, clearing and forwarding agent, air travel agent, tour operator, rent-a-cab operator, security agency, underwriter, photography, convention services, video tape production, sound recording, port services, authorized automobile repair and maintenance, beauty parlour, cargo handling, dry cleaning, event management, fashion designer, health club and fitness centres, rail travel agent, storage and warehousing, commercial coaching or training, erection, commissioning and installation, internet café, management, maintenance or repair, technical inspection and certification, port other than those covered in port services, airport services, business exhibition services, outdoor catering service, survey and exploration of minerals, pandal and shamiana, travel agent, forward contract brokerage, transport through pipeline, cleaning service, clubs and associations services, packaging service, stock exchange service, services provided by a recognized / registered association

(commodity exchanges) for transaction in goods or forward contracts, processing and clearing house services in relation to processing, clearing and settlement of transactions in securities, goods or forward contracts, cosmetic or plastic surgery, transport of coastal goods / goods through national waterway / goods through inland water, clinical establishment); or (iii) services other than those falling under (i) and (ii) above, provided to a Developer or Unit of SEZ, who does not own or carry on any business other than the operations in the SEZ;

It is thus clear that w.r.t. services other than those covered in (i) and (ii) above:

- 1) If services are exclusive for Special Economic Zones then the same will be treated as wholly consumed only if the Unit or Developer is not carrying on any business other than the operations in the SEZ.
- 2) However if the Unit or Developer is carrying on any business other than the operations in the SEZ, then the services would be attracting service tax which will be charged by the Service Provider.

However it should be noted that: In respect of category (i) and (ii) services listed in paragraph 2(a), upfront exemption is made available to all SEZ Units/Developers, who fulfill the conditions of notification; only in the case of category (iii), difference is created between standalone and non-standalone SEZ Units/Developers.

Declaration in Form A-1 is required to be produced, to a service provider, to claim upfront exemption (after striking out the inapplicable portion). This is a one-time Declaration. Original Declaration can be retained with the SEZ Unit/Developer for business record or for production to the jurisdictional Central Excise/Service Tax authorities, if need be, for any verification; a copy has to be retained by SEZ Specified Officer; self-attested photocopies of the Declaration can be submitted to service provider to avail upfront exemption, subject to fulfillment of other conditions mentioned in the notification. Though one time declaration is required it is the duty of developer / unit to change the declaration if there is any change in business structure.

When a Developer / unit also carries on operations other than SEZ, it is important to keep the following points in mind before applying the refund under Exemption by way of refund scheme:

1. Services exclusively consumed in SEZ and for SEZ - 100% refund can be obtained under the provisions of 2(a) of the Notification 17/2011 dated 1st March, 2011 ST which is reproduced below.

"the exemption shall be provided by way of refund of service tax paid on the specified services received for the authorised operations in a SEZ"

It has also been clarified and confirmed in the Board Circular No. 142/11/2011 - ST., Dated: May 18, 2011,

2. Shared services - For certain services like auditing, share registry, company secretary services and services used by Corporate office, the following formula will apply as per clause 2(d):

Maximum refund =	Service tax paid on specified services used for SEZ Authorised Operations	Export turnover of SEZ Unit shared with DTA Unit for the period for the period
	Total turnover for the period	

However, the balance amount will be available for cenvat credit either by manufacturer or by the Output Service Provider directly or through Input Service Distributor route.

If an entity is having multiple SEZ Units with a centralized service tax registration, consolidated refund claim can be filed, provided separate accounts are maintained for receipt and use of services for the authorised operations in SEZ Unit.

In terms of the notification, original invoices are needed for claiming refund; after receiving the refund, originals can be taken back on submission of copies certified by Chartered Accountant. On a single invoice, if proportionate refund (by SEZ Unit) and cenvat credit (by DTA Unit) needs to be obtained, then also similar system shall be followed.

Removal of Goods (Inputs / Capital Goods) Into Domestic Tariff Area (DTA)

CMA A. B. Nawal (*Regional Council Member*)

1. SEZ to DTA unit supplies are not treated as imports as per import definition in SEZ Act. However the provisions of SEZ Rules clearly specifies such transactions will be treated as re-import and therefore provision of identification of the such goods is must and such goods to be linked with documentation and identification mark at the time of supply to SEZ.
2. In view of the above, any goods cleared from SEZ to DTA except for specific exemption as mentioned below should be against Bill of Entry for Home Consumption and in accordance with Customs Act, 1962 and Rules made thereunder.
3. Rule 47 is applicable to manufactured goods as well as removal as such and rate of duty for manufactured goods is in accordance with Customs Act and valuation for goods cleared in DTA (manufactured goods as well as cleared as such or any goods cleared to DTA other than mentioned in rule 50) to be determined in accordance with Customs Act and Rules made thereunder.
4. Any goods returned from SEZ to DTA either on account of rejections, repairs, reconditioning or any reasons, provisions w.r.t. re-import of similar goods in India will be applicable i.e. benefit of CUS NTF NO. 94/1996 DATE 16/12/1996 & CUS NTF NO. 158/1995 DATE 14/11/1995 as the case may be will be applicable.
5. If inputs are used or partially processed, the provisions of import will be applicable as if new imports and if no substantial processing is carried out then it will be treated as re-import.
6. However if the goods supplied to SEZ for which no export benefits are availed and import duty is NIL,

there is no need to file any Bill of Entry and goods can be cleared against invoice only subject to identification. Still such permission has to be obtained from Authorised officer before removal

7. The valuation of used capital goods needs to be determined as per Rule 49 by adopting the depreciation whereas rate of duty to be determined in accordance with above Notifications applicable for re-import.

Depreciation rate computer and computer peripherals

for every quarter in the first year - @ 10%

for every quarter in the second year - @ 8%

for every quarter in the third year - @ 5%

for every quarter in the fourth and fifth year - @ 1%

Depreciation rate other capital goods

for every quarter in the first year - @ 4%

for every quarter in the second year - @ 3%

for every quarter in the third year - @ 3%

for every quarter in the fourth and fifth year -

@ 2.5 %

and thereafter for every quarter - @ 2%

8. Goods on which any export entitlements were availed at the time of procurement of goods may be supplied back to the Domestic Tariff Area on payment of duty equivalent to the export entitlements availed subject to the condition that the identity of goods being supplied back to the Domestic Tariff Area is established to the satisfaction of the Specified Officer. The amount of duty equal to export entitlements will be over and above the duties determined in accordance with above mentioned Notifications for re-import.

NEW OPPORTUNITIES FOR PRACTICING COST ACCOUNTANTS

- XBRL documents of Financial Statements (Balance Sheet and Profit & Loss Account) on the e-form would continue to be certified by the authorized signatory of the company along with certification from Cost Accountant or Chartered Accountant or Company Secretary in whole time practice (Circular No 57/2011 dated 28.07.2011 issued by Ministry of Corporate Affairs)
- OL will file an application praying to the Court to direct the management of the company to submit information as given in Circular 54/2011 dated 26.07.2011 issued by MCA duly verified by a Cost Accountant / a Chartered Accountant/a Company Secretary in practice. (Circular No 58/2011 dated 01.08.2011 issued by Ministry of Corporate Affairs)
